WHAT DO WE MEAN BY A "REAL" MARGARITA?

The original Margarita was invented in 1948 by Margarita Sames of Acapulco, Mexico using these basic ingredients:
Tequila, Cointreau, Lime Juice and simple syrup.

Our Lime Margarita's are made using these standards:
"Free Pouring" Premium Sauza Tequila,
Triple Sec orange liqueur, Roses' lime juice
and a splash of lemon-lime soda.

Our Flavored Margarita's
use real fruit with premium Sauza Tequila.

You can taste the difference -
so don't settle on the Competition's Margaritas
out of a jug and cheap chemical flavorings.

ENJOY IN MODERATION!
